If you are submitting a project of your own, please indicate your preference

Not Applicable      Loan      Donation      Website Article only

Project Builder or Craftsman's Name: \_\_\_\_\_

Project Description:

For projects, please include at least one good photo of the project. Photos with something in the picture that gives an indication of scale (such as a coin) are appreciated.

In the section below, please provide any additional information you would like such as a description of any project documentation available, project scale / size, craftsman's background / biography / story, articles that may have been written about the project or craftsman. You can include such information here on this form or include it as addition sheet(s).
